

# PanzerBlitz Situation #20

SCREENING ACTION (HYPOTHETICAL). SOMEWHERE IN RUSSIA, 1944. Often in defensive operations, light mobile units such as a reconnaissance battalion will be called upon to screen the flanks of line units, or fill a gap in their absence. Ideally, the enemy in these situations will be delayed by firepower, without decisively engaging the defense.

Map Configuration

## RUSSIAN FORCES

A Soviet tank brigade, backed by motorized infantry sets up first on board 1, on or east of row Z.

14

### VICTORY CONDITIONS:

Award Russians 1 point for each unit moved off west edge of board 3. Award each side one point for each enemy unit destroyed. The side with the highest total wins.
